To

Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
BANGALORE.

SIR,

I have the honour to inform you that the Government Girls' School at Chamarajapet, Bangalore is at present held in a private building the rent of which is Rs.35 per month. This building however is not well suited for the purpose and a new building has become a necessity. A site measuring 269' x 242' opposite the Chamarajapet Police Station has been made over to this Department by the Honorary President of the Bangalore City Municipality as per tracing of the site plan herewith sent.

The present strength of the school is 200 and there is every probability of its rising to 250. The appended design furnished by the Executive Engineer, Bangalore Division. provides for 6 rooms and a hall which will meet the requirements of the school. The design is the one adopted for the Hallesweram Girls' School.

I request that the Government may be pleased to sanction construction of the building in the next official year, the cost being met from the special grants of rupees two lakhs sanctioned as per Government Order No.406/Edn.208-13 dated 23rd September 1914.

I have the honour to be,
Sir,
Your most obedient servant,
